On Monday, April 25, 2005, The Actors' Network will host the Second Annual Hack n' Smack, Kerry Daveline, Celebrity Golf Tournament at the El Caballero Country Club. We are donating 100% of the net proceeds to **The Melanoma Research Foundation (www.melanoma.org)**. This annual event honors the life and memory of Kerry Daveline. Kerry was part of the Hollywood community for many years. He was a terrific husband, brother and friend and an avid golfer. He is greatly missed. Hack n' Smack is the type of event that Kerry would have enjoyed. It is a golfers' golf tournament. We have eliminated many of the traditional side events typically included in charitable golf tournaments so that nothing will interfere with a great day on the links.

For three years El Caballero hosted the LPGA, Office Depot event. This beautiful 5-star facility is one of Southern California's most prestigious and very few non-members have the opportunity to play this challenging course. There are many ways you can help and have an outstanding day at the same time. We have individual and team player packages, corporate and vendor sponsorships and we are still accepting product and silent auction donations. We are also pleased to announce that this year, for a small donation, golfers are welcome to invite their non-golfing family and friends to join us for drinks and dinner. The El Caballero staff is preparing an outstanding meal and The Beach Toys will be performing after dinner (www.beachtoys.com).

Every hour of every day, someone dies of melanoma in the U.S. Melanoma strikes people of all ages, races, and economic levels. One in 75 Americans will develop melanoma during their lifetime. It is the fastest rising cancer in the U.S. and the most deadly. It is also the most highly preventable, and treatable, if caught early. Currently, melanoma research receives less than 10% of the funding given to basic research of other cancers. **Christopher Gorham (Medical Investigation), Patrick Warburton (Seinfeld), Glenn Morshower (24), Kevin Weisman (Alias), Alfonso Ribeiro (Fresh Prince), and David Naughton (Makin' It)** are just a few of the celebrities slated to play. They are all donating their time to help combat this terrible disease.

You can make a difference. Please join us. Help protect our families and friends by raising awareness and money to find a cure. For registration information call The Actors' Network at (818) 509-1010, visit our web site www.hacknsmack.com or email us at info@actors-network.com.

Cheers to you from the team...
